Dear Studio Directors & Teachers,

We are so excited to offer a unique summer intensive opportunity in beautiful Lake Arrowhead California!

This program will take place every week from Monday, June 19th through Monday, July 17th. As part of the intensive program, dancers will work with our team for a period of five (5) consecutive days between the hours of 9:30am and 3:30pm. We are looking to host between 8-10 dancers from each studio, within a similar skill set, to participate in the five-day program. Sessions will run from Monday through Friday of each week.

Upon sign-up, students will be eligible to participate in a series of fifteen (15) classes at the price of \$375 per dancer. The dancers will begin each day with a ballet and technique class, followed by a pointe class. Modern, Lyrical, Contemporary Ballet, Jazz, Hip-Hop, Acrobatic Tumbling, or Pilates Mat classes will take place thereafter, varying each afternoon.

This arrangement allows our team of instructors to work individually with each dancer, developing a better understanding of their areas of opportunity. We are a company of feedback, and our instructors will constantly be giving students individualized feedback and advice. We created a limit of one (1) dance studio per week, thus allowing the dancers to work and strive within a familiar group setting.

Lake Arrowhead is a wonderful, natural setting with many outdoor activities available to dancers when they're not training. Housing is available upon request- contact our studio for more information.

Please visit our website for more information about the school, and feel free to reach out with any questions or concerns.
